Hottest College  
Girls  
in America**

NAME: **Emily**

FRESHMAN, **ELON UNIVERSITY**  
MAJOR: **SPORTS MANAGEMENT**

**Would you prefer coed dorms or single-sex?**

Definitely coed. I don't think I can handle living with girls for that long!

**Which would you cheat on first—a boyfriend or a test?**

A test. I'm not that good at studying, so I would probably need my boyfriend's help first. You know, before the cheating.

**Ever been in a pillow fight with your girlfriends?**

I have when I was younger, but they're not as much fun as you'd think. Because *someone* always ends up taking it too seriously and getting aggressive.

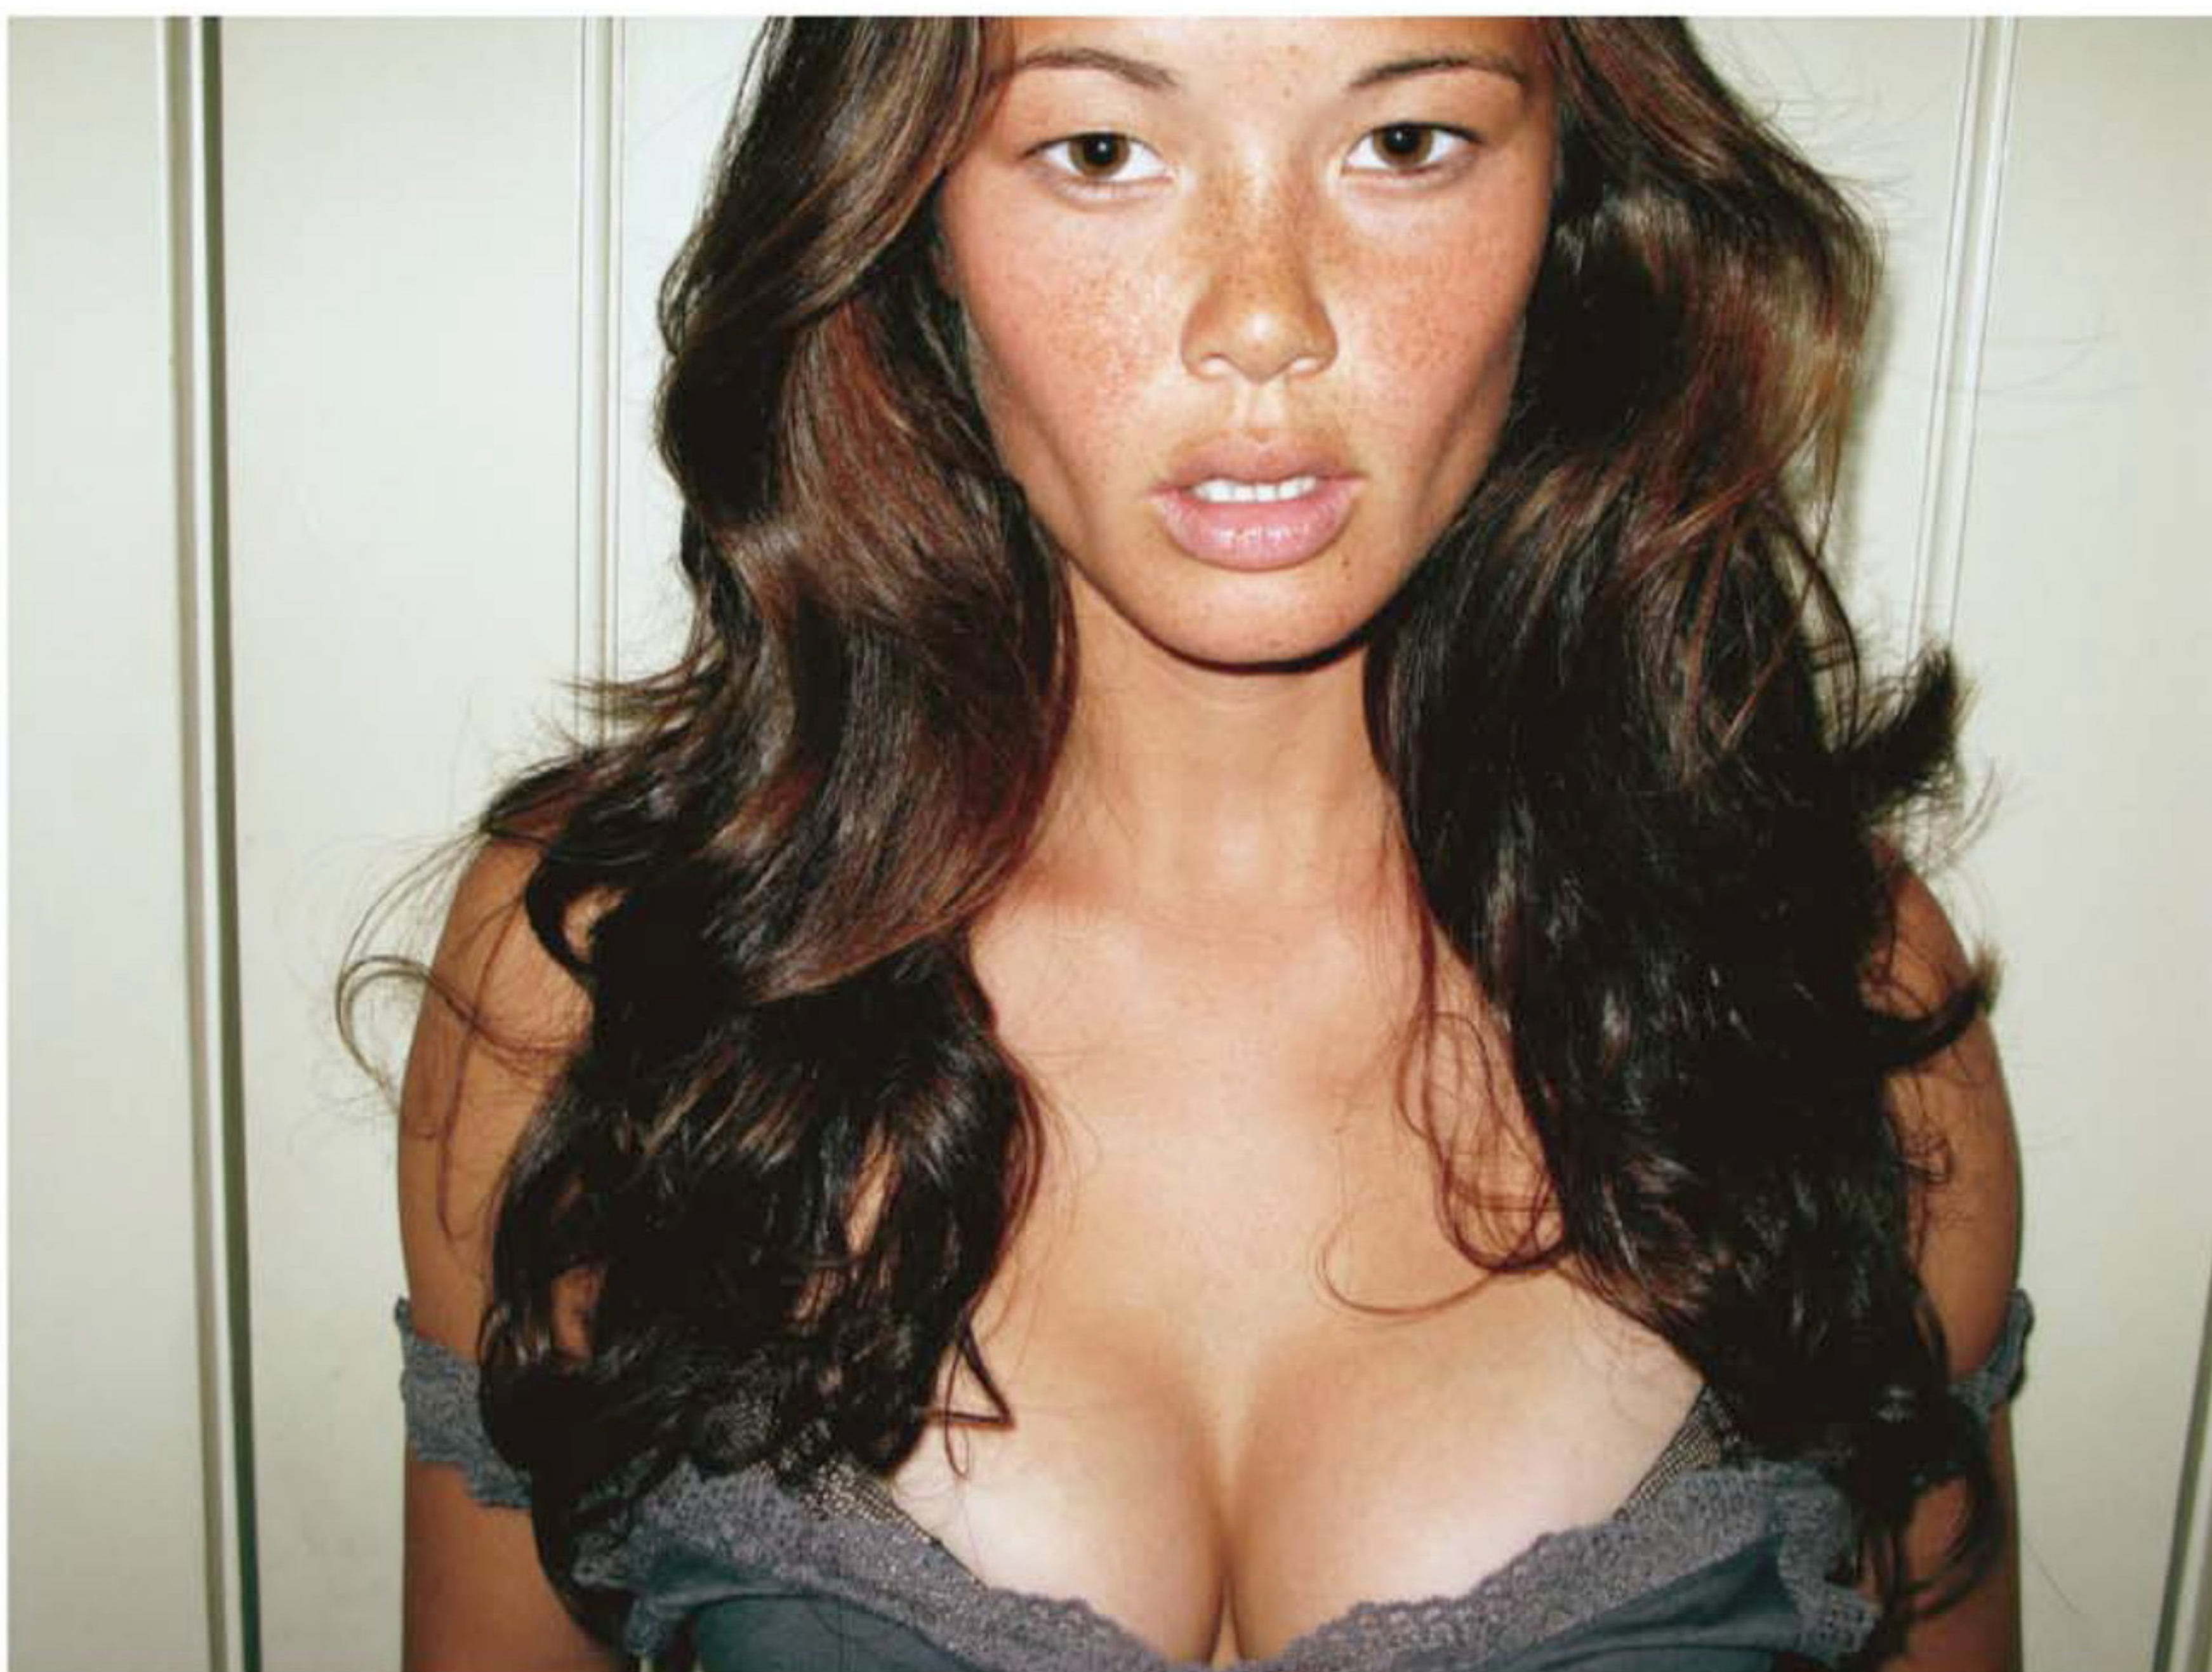

NAME: **Marissa**  
SENIOR, **UCLA**  
MAJOR: ENGLISH

**If you were the valedictorian, what advice would you give the dudes in your class?**

I think UCLA guys have it pretty well figured out that study dates are a great way to start things off. And there are so many great date options in L.A. I love going to outdoor concerts and the beach and hanging out at the Sunset Rec (our school pool).

**What is your favorite drink?**

Sweet white wine or homemade sangria by the pool on a hot day.

**What would get  
you kicked out of

local hangout?**

My dorm is where  
the action is.

NAME: **Lydia**  
JUNIOR, **CLARION UNIVERSITY**  
MAJOR: ENVIRONMENTAL GEOSCIENCE

**Where is the best place on campus to hook up?**

There is this one spot that everyone calls "the trestle." It's a 200-foot-high bridge. It would be nice as long as things don't get crazy and you fall off the edge... That wouldn't be good.
