Each year we salute 100 of the hottest women who have captured our attention over the past year—from sexy celebrities who've graced the cover of PLAYBOY magazine to toned athletes, reality TV babes and fresh faces you'll want to keep an eye on. This year's alphabetical lineup of ladies begins with cover girl **Joanna Krupa** (below), an international supermodel, actress, dancer (she was a fan favorite on season nine of *Dancing with the Stars*) and PETA activist, who found herself on her second PLAYBOY cover in less than five years. Joanna's recent photo shoot, shot by erotic photographer Rankin, produced some stunning Brigitte Bardot-inspired photographs, one of which turned out to be the ideal picture for the cover of this *Sexy 100*.

Carlie Christine (above) found her name splashed all over the news after being fired from her position as a high school cheerleading coach when several angry parents found nude photographs of her

circulating the Internet. Of the scandal, Carlie says, "losing my job after my Cyber Girl of the Week feature came out was a blessing in disguise." It catapulted Carlie to Cyber Girl of the Month status and resulted in a ton of positive publicity.

It looks as though **Kaya Danielle** (above) may be following a similar Playboy career path to Lauren's—she, too, was discovered at a Casting Call, has already notched several SE print appearances and was named a Top 10 Supermodel contender for MOY 2010.

Several interesting parallels can be drawn between these two fresh-faced hotties who share the same last name. Both **Lauren Elizabeth** (above) and **Kayleigh Elizabeth** (opposite, above) are busty and

There's no doubt that **Carmen Electra** (above) is one of the sexiest stars of the 21st century. Her first Playboy pictorial in May 1996 proved to be the powder keg for an explosive career that has included a hosting gig on MTV,

a stint in a red one-piece swimsuit on *Baywatch*, several movie roles, the launch of her best-selling fitness DVD *Carmen Electra's Aerobic Striptease* and her 2009 appearance in the Crazy Horse Burlesque Show at the MGM Grand in Las Vegas.

On June 25, 2009 the world lost an angel, literally one of *Charlie's Angels* from the popular TV series from the 70s, when the incredibly beautiful and talented **Farrah Fawcett** (above) passed away after a three-year battle with cancer. When the

pop culture icon decided to pose for PLAYBOY (for a second time) in December 1995, her issue sold over four million copies and holds the title as the best-selling issue from that decade. Two years later in July 1997, at age 50, Farrah graced her final PLAYBOY cover.

Jessica Falandys (above) also had a banner year—racking up six SE layouts and a spot on the VH1 reality show *My Antonio*, where the actor and underwear model searched for love. In the end Jessica didn't win Antonio's heart but she's in contention for SE MOY 2010.

Loredana Jolie (above, left) made headlines as one of Tiger Woods' alleged mistresses and rumor has it she's shopping a tell-all book that will reveal her steamy escapades with the disgraced golfer. Playboy's *Big Boobs* cover girl **Shira Jones** (above, right) was new on the scene

While it's true that **Kiana Kim** (above) is the current main squeeze of former baseball great Pete Rose, this voluptuous brunette is not satisfied with being labeled as arm candy. Kiana, who has a degree in marketing and owns a hair salon in California, thought

about testing her Playboy potential, so when Rose and Houston-based photographer Mikki Chernoff (who's also a former flame of Rose's) suggested she try out, Kiana flew to Houston for a Casting Call audition and was booked for a photo shoot the very next day.

Jennifer Kennedy's (above) motivation to pose was to prove to that at 32 she still "has it"—we couldn't agree more and put her on the fall 09 *Hot Housewives* cover. **Kat Kohls** (opposite, left), an all-natural beauty from Chicago, was a Coed of the www.WorldMags.net & www.Journal-Plaza.net

www.WorldMags.net & www.Journal-Plaza.net

Stacey Leigh's (above) impressive resume includes stints as a glamour model, a special effects makeup artist and an actress with cameos in music videos and in a few independent horror films. Stacey's ultimate goal is to be known as the sexiest scream queen in the biz.
www.WorldMags.net & www.Journal-Plaza.net

With four SE appearances firmly tucked under her garter belt, hot mama and sexy wife **Heidi Lanini** (above) made her long-time dream of posing for Playboy a reality. In a quick minute **Ida Ljungqvist**
www.WorldMags.net & www.Journal-Plaza.net

Jessica Robinson (above) claims she's a laid-back, t-shirt and jeans type of girl, but we've seen the sexy photographic evidence that proves otherwise. With Playboy makeup and styling Jessica has appeared in six SE issues including a *Lingerie*

cover. **Malina Rojel** (above) launched her modeling career the day she walked into a Casting Call. Since then, she's had lay-outs in three Special Editions and was selected to shoot four sexy sets of photos as November 2009's Coed of the Month.
www.WorldMags.net & www.Journal-Plaza.net

A few things come to mind when you think of **Tara Reid** (above)—the funny movies in which she's appeared including *American Pie* and *National Lampoon's Van Wilder*, the trip to rehab and the botched plastic surgery on her tummy and breasts that left her clueless

when her scarred boob fell out of her dress while walking the red carpet. Tara says the decision to pose for Playboy for a second time was to show people "this is how I look now and I'm Ok." As further support that she's finally in a good place, Tara recently got engaged.
